

# Dysautonomia

## HAS

Holmes-Adie Syndrome

## DAN

Diabetic Autonomic Neuropathy

## AD

Autonomic Dysreflexia

## OI

Orthostatic Intolerance

## HANS

Hereditary Sensory and Autonomic Neuropathies

## POTS

Postural Orthostatic Tachycardia Syndrome

## NMH

Neurally Mediated Hypotension

## OH

Orthostatic Hypotension

## MSA

Multiple System Atrophy

## NCS

Neurocardiogenic Syncope

## FD

Familial Dysautonomia

## AAG

Autoimmune Autonomic Ganglionopathy (formerly Pandys, AAN, and ISAN)

## BF

Baroreflex Failure
